

Come together! Work together! Grow together!

## Benefits for ICV members

### CAREER KICK MEMBERSHIP

The international community of controllers brings our members forward, offers the opportunity to share experiences and information and significantly contributes to career development.

### ALWAYS UP TO DATE

Participation in work groups meetings and in ICV events as well as regular publications - print and online - ensure access to current know-how and the possibility of practical experience exchange.

### LIFELONG LEARNING IN THE NETWORK

The ICV is a platform for colleagues from a wide variety of sectors, cities and countries. Throughout their lives and careers, our members can learn from and grow together with each other.

### WE KNOW WHAT YOU WANT

The ICV is an established, experienced organization. The needs of our members are our focus. Our members can trust in always finding a suitable contact person for their concerns.

<h3>Awards</h3>	 <p>Universities and companies regularly develop unique solutions for controlling. The ICV wants everyone to benefit from this knowledge. That's why every year we look for the best of the best, honor them and introduce them to you with their achievements.</p> <p>Our awards honor students and experienced, practicing controller teams equally. The winners present their exemplary solutions at the events of the ICV and its partners.</p>	 <ul style="list-style-type: none"> <li>ICV Controlling Excellence Award</li> <li>ICV Newcomer Award</li> <li>Green Controlling Award (Partner)</li> </ul>	
<h3>Knowledge Publications Literature</h3>	<p>The ICV Dream Factory is a renowned think tank in controlling. With top-class experts, it carries the signs of the times, visions and new incentives into the Association. This mixture of thoughtfulness and everyday practice in the Association flows into the publications of the ICV.</p>  <p>The ICV publication series is an excellent source of valuable knowledge. For ICV members, the specialist publications are available free of charge or at reduced prices. The ICV is also a partner in studies that members can attend.</p> 	<h3>ICV DIGITIZATION OFFENSIVE</h3> <p>The community learns to understand the dimensions and challenges, to actively address them and promote the implementation in the companies.</p> <ul style="list-style-type: none"> <li>ICV Dream Factory as a Think Tank</li> <li>Recognizing key trends</li> <li>Initiating innovations</li> <li>Sharing knowledge with members</li> </ul>	
<h3>Expert work groups/Sector work groups</h3>	<p>In the expert work groups and the sector work groups of the ICV, the participants are dedicated to the needs of specific challenges or industries. Members from around the ICV world are welcome to share the knowledge from their area of expertise.</p>  <h3>EXPERT WORK GROUPS</h3> <p>Digital CFO Agenda BI / Big Data and Controlling Compliance Management and Controlling Controlling and Quality Controlling and Risk Management Digital Transformation Future of Work Green Controlling for Responsible Business Innovation Management Investment Controlling Accounting and Controlling Project Controlling Start-up Controlling Transfer Pricing Management Valuation Working Capital Management <b>SECTOR WORK GROUPS</b> for the areas of banking energy + water health care</p> 	<ul style="list-style-type: none"> <li>17 expert work groups</li> <li>4 sector work groups</li> <li>Concentrated expert know-how</li> <li>Development of practical, innovative problem solutions</li> </ul>	
<h3>Regional work groups</h3>	<p>Controllers meet in the ICV work group of your region, regardless of industry and experience. Everyone benefits, similarities are just as important as the differences.</p>  	<p>The meetings of the work groups are an important platform, because there the ICV members have an opportunity to exchange knowledge, experiences and contacts, as well as to explain questions and problems and to solve them together.</p> 	<ul style="list-style-type: none"> <li>60+ work groups in 15 countries</li> <li>2-3 meetings per year</li> <li>Professional network on site</li> </ul>

<h3>Congress of Controllers Munich</h3>	<p>The international controlling community meets traditionally in spring at the <b>CONGRESS OF CONTROLLERS</b> in Munich, the largest controlling conference in Europe. In one and a half days more than 500 participants can expect an agenda packed with information, exciting speeches, excellent speakers and exhibitors, combined with a well-organized supporting programme, which offers enough time and opportunities for networking.</p>	<h3>Conferences – also in your region!</h3> <p><b>Regional ICV conferences:</b> CIB Controlling Inspiration Berlin Regional Conference North CAB Controlling Advantage Bonn CCS Controlling Competence Stuttgart CTS Controller Conference Switzerland CIS Controlling Insights Steyr CIA Controlling Intelligence Adventure ACC Adriatic Controlling Conference Slovenia ICV Health Care Forum Austria ICV Health Care Conference Switzerland ICC International Controlling Conference Croatia Catalan Congress Barcelona International Controlling Conference Kaliningrad</p>	<ul style="list-style-type: none"> <li>Central conference in spring</li> <li>Regional conferences in autumn</li> <li>Top speakers, current topics</li> <li>Networking, also international</li> </ul>
