

NEWS FROM THE BOARD / July 2023

Dear Colleagues,

For the upcoming summer holidays we wish you a relaxing break to devote yourself to family, friends and personal interests. No appointments, let your soul dangle and turn to beautiful things. Thank you to all of you for your intensive ICV commitment!

Dr. Walter Schmidt

It is with great regret that we say goodbye to Dr. Walter Schmidt. The news of his death after a long illness reached us last week. Our thoughts are with his family and we have many memories of him. He was an intensive companion, a friend with heart and mind. We will miss him greatly and be eternally grateful to him for his ICV work.

An obituary will follow in the next issue of Controller Magazine Sept/Oct 2023.

ICV newsletter, social media

You can find out all the latest news from the ICV in the newsletter, the Controlling eNews, which is published every two weeks in German and every month in English. As before, we ask you to push our ICV social media channels with likes, posts and comments. We primarily focus on [LinkedIn](#).

The Office

Our colleague Bianca Neckel, who was responsible for accounts receivable, left us on July 15, 2023. Her 30 years of hotel management could not be turned away so easily; so that she dedicates herself to this branch again. We hope for a 'replacement' soon.

With the best summer wishes and see you soon
